ABOUT US

Who puts the 'N' in N2 Dance

N2 Dance Productions was founded by Isabella Nikodinovski, with the support of her sister, Elysia Nikodinovski based out of their studios in Ermington and Wentworth Point. Dance has been an integral part of their lives for as long as they could remember and combined, have over 40 years experience, competing in many eisteddfods, undertaking examinations in all genres and endless performances for private functions and community events. In 2024 we expand our N2 family to Ashfield, formerly Donna Jean's Danceforce, and will strive to maintain the 39 year legacy Donna leaves behind.

At N2 Dance Productions we aim to create a nurturing environment for children to develop their talents and appreciation for the art of dance. Students have the ability to develop passion, creativity and confidence through dance, in a safe, friendly and fun environment.

Whether your child wants to learn for fun, to keep fit or seek a future career in dance, we have a class for everyone. N2 Dance is a place for our students to become part of our family, sharing in a love for dance.

Make up lessons are unavailable in Term 4 for Concert Stream classes due to the concert rehearsal process, and in the final week of Term 4 for Kinderballet Stream classes (i.e. when Presentation Day falls). The inability to secure make-up classes due to Covid-19 or any other restrictions are not refundable.

In the case of significant injury where a student is unable to dance for longer than 4 weeks, we can issue a credit for those weeks' fees. This applies ONLY if we are notified in advance by writing, and with a doctor certificate, with details of the number of weeks the child will miss.

For those required to isolate, zoom access can be requested for your child's class(es), provided we are given notice. Alternatively, please refer to make up policy outlined above.

FAQS

Common questions you might have when coming to your first class

Are parents allowed to watch classes?

We want parents to know what they're signing up for so where possible, we will try to accommodate parents watching trial classes only. We take our programs seriously and after many years experience, we know that children learn better with fewer distractions. Less noise from mums in conversation, less disruptions from younger toddlers wanting to join in and less chance your child will be wanting to run back and sit on your knee for a snack or a drink means better value for money for you and better results for your child. When restrictions ease, we will reopen our classes in the final weeks of term for 'open classes' however, during the term, our classes will remain closed.

My child will cope better if I'm not in the room. Do you have a waiting area?

Wentworth Point: The Library offers a large area where parents can wait.
Ermington: The foyer offers a small space where parents can wait.
Ashfield: There is a small room connected to our upstairs studio.

Do I need shoes and uniform for my trial class?

Please wear something comfortable and be prepared to dance in bare feet or socks. Uniforms and shoes can be purchased directly from N2 Dance after your trial class. Uniforms should be ordered within the first 3 weeks of joining as they can take up to 4 weeks to arrive from our suppliers and we don't want our ballerinas feeling left out!

FAQS

In case we missed anything above, these might help

Is it compulsory to do the Concert/Presentation Day?
Not at all! We don't want to push a child into anything they feel uncomfortable doing. In saying that however, taking part in a performance can help students overcome stage fright, shyness or anxiety by building their confidence.

It's an opportunity to showcase all the new skills they've learnt throughout the year. It also teaches students how to work towards a goal by learning new routines and mastering new steps that they'll get to show off to their friends and families!
The concert is a rewarding experience and is the highlight of the dance year for many students!
